

Make an Impact with Your Gift to SCA

Your support of SCA as a present or future beneficiary is the ultimate gift. SCA has been “enriching lives through the arts” since 1988 and continues on its mission as an educational and cultural resource for Northern California. SCA provides award-winning film events and art gallery exhibitions, as well as art classes and performing arts events.

Planned Giving increases the impact of your giving over time. Knowing how personal a philanthropy decision is, we are ready to help you understand your options and ensure that your planned giving is implemented as you desire.

Planned Giving ensures that those things we love and value will be here for many generations to come.

You have many options for your Planned Giving decision. You can make a present gift or you can make a deferred gift.

Among your options, some examples are:

-Make an outright gift of cash, stock, real or personal property to SCA or its endowment fund

-Name SCA as a beneficiary of a trust, life insurance policy, retirement account, or other assets

-Include SCA in your Will or testamentary trust for deferred giving

Some of the listed options can create immediate tax benefits for you. Some do not decrease the value of your estate.

These options listed above are illustrative, so please consult your lawyer, tax advisor, and financial planner to help you make well-informed decisions.
