

Dear Artist,

Thank you for entering your work in “NOT just landscapes”.

We expected many entries but the response was overwhelming. Juror Robin Dintiman carefully reviewed 500 pieces and I can assure you that she carefully considered each work, one by one. She remarked that there was enough material for several exhibitions. Nevertheless, our gallery can only show a limited amount of work.

Her selection is one set of choices in the amount of work received. Even if you entered the most amazing work, art that is reflecting skill and thought, you might still not be in this show. I know this can be disappointing but please do not let it bring down your enthusiasm or trust in your talent.

Please check on the list below if your work was SELECTED.

Selected Artists, you will receive an email later this week with instructions for shipping and labels.

If your name or work is not on the list, come to SCA to pick up the unselected work as soon as possible, today after 1 pm or tomorrow Thursday between 10am and 4 pm. Let me know if that would be a problem.

I hope to see you at the opening reception on February 22, 6-7:30 pm

Warm regards,
Catherine
