

SCA Pastel Portrait Class

Mary Beth Sasso, Instructor

SUPPLIES:

Prismacolor NuPastels - 48 or 96 count set (check online for best prices)

NuPastels for portrait painting (make sure you have these particular colors because some of these colors are not included in a set of Prismacolor NuPastels). These specific colors are used in painting flesh tones. It's good to have these on hand because you will use these colors the most when painting portraits.
