

Dear Members of the Sebastopol Center for the Arts Community,

In light of the current coronavirus pandemic, and with heavy hearts, the leadership of Sebastopol Center for the Arts has decided to postpone all public events, gallery exhibits, programs and classes. This includes the postponement of the Sebastopol Documentary Film Festival.

We believe it is time to step back from our public activities and focus on the health and safety of our staff, volunteers and audience. We will maintain our current staffing, but will be closed to the public until further notice.

The Center's leadership, board and executives are evaluating coronavirus-related conditions on a daily basis. Our evaluation includes adhering to directives from the City, County and State, as well as examining our own health and financial liabilities.

Please stay in touch with us via our [website](#) where this notice and new updates will be posted regularly. If you want to reach out to us with specific questions or needs, call 707.829.4797 Ext 1008 and leave a message. Or email us at info@sebarts.org.

Thank you for your support and understanding.

Best wishes,

Catherine Devriese
